Wedding of Paul Brown, Jr.

Miss Katharine Bonties, one of the prettiest girls of the younger set, became the bride of Mr. Paul Brown, Jr., last evening. The ceremony was performed at St. John's Southern Methodist church by Rev. Dr. J. W. Lee. The church was filled to overflowing with the friends of the young people, and after the ceremony there was a large and fashionable reception at the home of the parents of the bride, Mr. and Mrs. P. H. Bonties, of 4349 West Pine boulevard. The decorations of the house were elaborate and artistic. The bridal party stood beneath a canopy of Easter lilies and white sweet peas to receive the guests.

The bride, who is a handsome brunette, wore a bridal robe of white satin messaline, with an elaborate garniture of exquisite rose point lace. The tulle veil, which fell to the bottom of the robe, was held in place with a spray of natural orange blossoms, and she carried a shower of lilies of the valley. Two matrons of honor attended the bride. They were Mrs. Charles Block, who wore white lace and carried a shower of lilies of the valley and sweet peas, and Mrs. Fred Brunaugh, who was gowned in white chiffon and carried lilies of the valley and sweet peas.

After receiving the congratulations of their friends the bride and groom left for a honeymoon tour, and will be absent several weeks. Upon their return they will make their home in Washington terrace with Mr. and Mrs. Paul Brown, and will be at home to friends after May 20.—Globe Democrat of April 27.

The prayer meetings of the different churches of this city, on next Wednesday evening May 3rd, will use as topics, "The Desecration of the Sabbath in our town, and how to bring about a better observance of the day."

The Wabash depot at Martinsburg was robbed last Saturday of about \$10.00 that had accumulated in the cash drawer during the day.

War News.

From the Globe-Democrat.

Tokio, April 26.—A bulletin issued at army headquarters today relates that the Russians on Monday attempted a large reconnaissance, three columns advancing south along the three highways leading to the Kalyuan region, thirty miles north of Tie pass, which is occupied by the Japanese left wing. Two of the columns consisted each of 5000 infantry, 800 cavalry and a battery of artillery. The third which was the western column, consisted of 1500 Cossacks. The entire force covered a front of thirty miles east and west. The principal fight occurred on the Tun Chow road, where the eastern column drove in the Japanese cavalry outposts. In following up their advantage the Russians encountered an ambuscade of infantry. A sharp fight ensued and the Russians were driven back beyond Mien Hua Chien, leaving 200 dead upon the field. On the defeat of the eastern column the other two columns retired simultaneously. The loss of the Russians was excessive for a mere reconnaissance, and points to lack of skill on the part of their officers. The Japanese casualties numbered only thirty-eight, including two officers.

The railroad bridge across the Hun river, which was destroyed by the Russians after the battle of Mukden, has been restored and trains are now running between Dalny and Tie Ling.

Mr. and Mrs. N. A. Wilson and daughter, Miss Lula, and Harry Moore and family took Easter dinner with Mr. and Mrs. Degarmo east of Bellflower.

Estimates cheerfully given. Yours truly,

OGDEN & HUBER
WELLSVILLE, - - - MISSOURI.

ANNOUNCEMENT!

Beginning on May 5th, the TRIBUNE will be enlarged to a 6 column Quarto, thereby adding 4 columns more reading matter to the paper. We thank our patrons for the many favors extended us since assuming the management and assure them that we will in the future continue to make the TRIBUNE the best paper in the county.

Beginning with our next issue also we will start our Popular Ladies Contest as we wish to add to our already large list of subscribers at least 300 new names between now and January 1st 1906.

The following are the conditions of the TRIBUNE'S Grand Gift Popular Ladies contest:

Every person paying money to the TRIBUNE for subscription, advertising or job printing will be entitled to votes at the rate of 300 votes for every dollar thus spent. Twenty-five per cent additional votes will be allowed for new subscribers. Votes will be issued at the time the money is paid and will be good for one day. No votes will be issued unless cash accompanies order. No ballots on which one name has been erased and another substituted, nor on which the number of votes has been changed will be counted.

Six gold watches will be distributed among the six townships in the county. To the leader in the township who has the highest number of votes over any other leader in any other township will be given a genuine Elgin movement in a 25 year, 14 karat engraved and diamond studded gold filled case, as a grand prize.

To the leader in each township, other than one which wins the grand prize, will be given a United States Watch Co., Waltham Massachusetts movement in a twenty year engraved gold filled case. All watches have the same guarantee of the old reliable firm of A. Vogt & Son, back of them that they would have, if purchased from them direct.

No prize will be given to any township where the leader does not poll 5,000 votes. In every township of the six mentioned where the leader polls less than 2,000 votes the gold watch will be the only prize given. Each township has thus a chance to win either the gold watch or the diamond studded watch.

The contest will close Dec. 22, 1905, at 3 p. m.

Votes will be given from now on until the time of closing the contest. Anyone may enter a candidate by making a proper payment and giving the contestant's name and township.

No votes will be given on orders for stamped envelopes or postal cards except for the cost of the printing done at this office.

Dr. Lichtig, the Optician of Troy, Mo., is now filling his dates in this city and can be found at Mrs. Caruthers' hotel. The Doctor is working up a good business here and at other towns in the county. If your eyes are bad call and see him, he will treat you right.
